INTENDED LEARNING OUTCOMES

General objectives

The general objectives for first- and second-cycle courses and programmes are specified in the Swedish Higher Education Act (Chapter 1, Sections 8–9).

Objectives for a Degree in XX

More information is available on the SLU student web in Swedish.

DEGREE

Degree awarded on completion of the programme

The Bachelor´s programme Biology and Environmental Science aims at a Bachelor´s degree. Other degrees may be awarded after completion of the programme, provided that the requirements for the degree are fulfilled. See local instructions.

Students who fulfill the qualification requirements will be provided with a degree certificate upon request. The degree certificate will specify the qualification as degree of Bachelor of Science with a Major in Biology (180 credits) or as degree of Bachelor of Science with a Major in Environmental Science (180 credits).

Degree requirements
