approx. 10 Hours

**Individual studies, not scheduled**

Individual tasks incl. literature studies

approx. 220 Hours

---

**Total**

**approx. 405 Hours**

**Formats and requirements for examination**

missing

- If the student fails a test, the examiner may give the student a supplementary assignment, provided this is possible and there is reason to do so.
- If the student has been granted special educational support because of a disability, the examiner has the right to offer the student an adapted test, or provide an alternative assessment.
- If changes are made to this course syllabus, or if the course is closed, SLU shall decide on transitional rules for examination of students admitted under this syllabus but who have not yet passed the course.
- For the examination of a degree project (independent project), the examiner may also allow the student to add supplemental information after the deadline. For more information on this, please refer to the regulations for education at Bachelor's and Master's level.

**Transitional regulations**

Exams: At least three retake sessions (renewed exams) must be offered within two years of the decision to cancel the course.

Compulsory elements: At least one opportunity for a retake session must be offered within two years of the decision to cancel the course.

**Additional information**

The course is given in Swedish, possibly with some parts in English.

- The right to take part in teaching and/or supervision only applies to the course date to which the student has been admitted and registered on.
- If there are special reasons, the student may take part in course components that require compulsory attendance at a later date. For more information on this, please refer to the regulations for education at Bachelor's and Master's level.

**Responsible department**

Department of Animal Environment and Health

**Supplementary Information**
